

**ENROLLMENT PROJECTIONS**

Enrollment projections will be prepared under the direction of the Superintendent and will be reviewed, brought up to date and reported to the Board annually.

The projections will take into consideration the following:

1. Figures from the latest school census.
2. School registration figures.
3. Known New Boston residents under age 6.
4. Review of forthcoming changes in town planning and zoning.
5. Review of current and planned community land development and housing projects.

Whenever construction of new school facilities or the closing of any school buildings is being contemplated, the Board may authorize outside studies made of population trends and school enrollment.
