**REGISTERED SEXUAL OFFENDERS**

It is the policy of the New Boston School District to prohibit any registered sexual offender from being employed by the district or serving as a volunteer in any capacity. Any volunteer or school employee who has a spouse or other individual residing in their home who is a registered sexual offender shall be responsible for ensuring that the students under their supervision are never within the presence of the offender. If a teacher on continuing contract fails in this responsibility, it shall result in a recommendation to the school board for a hearing on dismissal. If a volunteer or school employee including a teacher not on continuing contract fails in this responsibility, it shall result in his/her immediate dismissal.
