

SCHOOL CALENDAR

The school calendar will be developed by the Superintendent and approved by the Board. To the extent possible, the calendar will be coordinated with the school calendars of the middle school and high school education programs.

Any days that the schools are closed for emergency reasons will be made up at the end of the school year or during school vacation periods, as approved by the Board upon the Superintendent's recommendation. Under special circumstances the Board may request an exception to this requirement from the State Board of Education.
