

FAMILY-SCHOOL COMPACT
“Advancing Student Learning”

Advancing student learning is a shared responsibility. It is our belief that student performance will improve as a result of our cooperative efforts.

In partnership with family and community, our goals for STUDENT LEARNING are as follows:

- *All students will develop reading ability in order to comprehend content materials at or beyond what is required at each level.*
- *All students will develop their writing skills in order to communicate effectively in each content area.*
- *All students will acquire mathematical skills and applications at or beyond the level needed to succeed in each content area.*
- *All students will participate in educational experiences beyond the core curriculum and the boundaries of the traditional classroom (such as community service, athletics, student council, band, drama, etc.)*

Each member of a partnership plays a significant role. A compact is an agreement that defines the responsibility and tasks that administrators, teachers, and parents have agreed upon to help children learn.
