SCHOOL NEWS:

FROM THE SCHOOL NURSE:

YEAR-END MEDICATIONS - Any medications (inhalers, epi-pens, etc.) in the school nurse's office should be **picked up BY A RESPONSIBLE ADULT by the last day of school**. Only medications for children enrolled in summer school can remain in the office. **Medications not picked up by June 30th will be discarded**. Please call the school nurse if you have any questions.

A Note from the Chicken Café:

6th Grade parents/guardians ...please note that balances are not carried over to MVMS, so you will need to complete the Request for Refund of Lunch Account Funds. This form was sent home by email with a prior Thursday Notice. If you have a younger sibling still here, we can transfer the balance to that account. Please email sarah.prothero@sau19.org by the last day of school to ask for the transfer of funds. If you need another copy of the transfer form, please call the office.

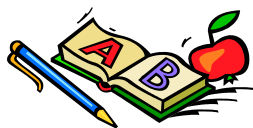

Parents/guardians of students in grades R-5, be sure to check your child's lunch account balance. As the end of the school year approaches it is important to keep enough money in the account. Anything owed needs to be paid in full by June 30th. Anything left over will carry over to next year.
