# WHAT IS REGISTERED APPRENTICESHIP?

Registered Apprenticeship is an industry-driven, high-quality career pathway where employers can develop and prepare their future workforce, and individuals can obtain paid work experience, receive progressive wage increases, classroom instruction, and a portable, nationally recognized credential. Registered Apprenticeships are industry-vetted and approved and validated by the U.S. Department of Labor or a State Apprenticeship Agency.

## ► Industry Led

Programs are industry-vetted and approved to ensure alignment with industry standards and that apprentices are trained for highly skilled, high-demand occupations.

## ► Paid Job

Registered Apprenticeships are jobs! Apprentices earn progressive wage increases as their skills and productivity increase.

## ► Structured On-the-Job Learning/Mentorship

Programs provide structured on the job training to prepare for a successful career, which includes instruction from an experienced mentor.

## ► Supplemental Education

Apprentices are provided supplemental classroom education based on the employers unique training needs to ensure quality and success.

## ► Diversity

Programs are designed to reflect the communities in which they operate through strong non-discrimination, anti-harassment, and recruitment practices to ensure access, equity, and inclusion.

## ► Quality & Safety

Apprentices are afforded worker protections while receiving rigorous training to equip them with the skills they need to succeed and the proper training and supervision they need to be safe.

## ► Credentials

Apprentices earn a portable, nationally recognized credential within their industry.
